My name is **Abbas** and live in **Tehran**. My hobby is view historical and cultural places in Tehran and show them to tourists of Iran.

I do that **free**! Yes free and I didn't receive money from tourists for that.

Our team goes to visit one place in Tehran every **weekend** (THU, FRI).

Non-Profit:

The events are non-profit and you don't need to pay **money** to join with us. You may need to pay the cost of ordering food and other items that you bought.

Also, we will go to relatively inexpensive **restaurants** and cafes.

Be happy in Tehran!
